

Legal Declaration and Submission Terms

1. Legal Undertaking and Authority

By signing this document, the undersigned (“the Applicant”) confirms that they are duly authorised to act on behalf of the applying organisation or entity in connection with this Request for Proposal (RFP) process issued by Sportex Global Group, acting on behalf of a third-party partner (“the Client”).

The Applicant acknowledges and accepts that Sportex Global Group is acting solely in a facilitative and administrative role for this RFP process and is not the contracting party for any final agreement that may arise between the Applicant and the Client.

2. Acceptance of Terms

The Applicant agrees to be bound by all terms outlined in the main RFP document and this declaration. The submission of a proposal constitutes full and unconditional acceptance of all obligations, conditions, disclaimers, and requirements stated in the RFP.

3. Jurisdiction

This document and all matters arising in connection with it shall be governed and interpreted in accordance with the laws of England and Wales. The parties submit to the exclusive jurisdiction of the courts of England and Wales for the resolution of any dispute or claim arising out of or in connection with this declaration or the RFP process.

4. Confidentiality

The Applicant agrees to treat all information received during the RFP process as strictly confidential, including information inferred about the Client’s identity, operations, or strategic interests. This obligation continues indefinitely and applies regardless of the outcome of the RFP.

Sportex Global Group agrees to treat any and all information received by the applicant during the RFP process as strictly confidential and accepts that any submission from the applicant will be treated in line with a non-disclosure agreement to any third party that is not the client.

5. Intellectual Property

All intellectual property submitted in response to the RFP remains the property of the Applicant. However, Sportex Global Group and the Client shall have the right to retain copies for evaluation purposes and to use submitted ideas or concepts as reference, provided they do not infringe on any registered IP.

The Applicant confirms that their submission does not infringe the intellectual property rights of any third party.

6. Fees and Commercial Terms

The Applicant acknowledges and accepts that Sportex Global Group will charge a service fee equivalent to 5% (five percent) of the net contract value (excluding VAT and any pass-through costs), payable to the successful Applicant, regardless of the final contract value or format. This fee is due within 30 calendar days of the contract award being confirmed by the Client.

Failure to pay this fee in full and on time may result in legal recovery and/or cancellation of the awarded contract at the discretion of the Client and Sportex Global Group.

7. Accuracy of Information

The Applicant certifies that all information provided in their proposal is accurate, complete, and truthful. If any material misrepresentation or omission is discovered, the Applicant understands that their submission may be disqualified, and any contract awarded may be terminated without notice.

8. Use of Information

All documents submitted become the property of Sportex Global Group and the Client and will not be returned. Submitted information may be used for evaluation and record-keeping purposes, in line with the terms of this declaration.
